

M.R.F. Supervisor's Monthly Report May 7th, 2015

The Month of April was a busy one, the things done by the crew include:

Accepting incoming garbage
Sorting recyclables
Crushing the glass
Baling the recyclables
Sorting old paint
Working on the electronics
Running the nail sweep
Smashing the demo and metal boxes
Sorting the scrap metal
Doing D.N.R. reports
Cleaning up the shop
Servicing the equipment
Setting up recycling pick-ups
Answering numerous phone calls
Plus our daily routine

Additional info:

1. I have scheduled for K.C. Cadotte to come and install lights, and do the wiring in the shop.
It will be nice to be able to see again.

Respectfully Submitted,
Ted Pallas supervisor M.R.F.
